Common stress related issues due to shipping/rehoming such as cold like symptoms including, but not limited to: runny nose, eye discharge, as well as stress induced diarrhea, are not included in this guarantee. Injury during shipping is out of our control and is not covered. Failure to have the animal checked by a licensed veterinarian within 72 hours will void any guarantee. It is recommended that the new kitten be quarantined during that 72-hour period. If found to be medically deficient with an untreatable or life-threatening problem, this must be reported to Brandy Immediately. If professional medical care is given to the kitten during the 72-hour period, the Buyer shall be responsible for all veterinary and professional expenses incurred on behalf of the kitten. Brandy shall at no time and under no circumstances be liable for more than the replacement of the kitten. Upon its return, it will be replaced with another kitten of equal value. Brandy reserves the right to return a cash refund. If no replacement is available at the time of return, Brandy will have up to one year to furnish a comparable kitten. INITIAL \_\_\_\_\_

The kitten is guaranteed against health defects for TWO YEARS only if the kitten is on the Life's Abundance system (food, treats, vitamins) the entire time. This must be purchased through the link on my page or by visiting [www.pethealthatyourdoor.com](http://www.pethealthatyourdoor.com) . Should the animal die within that time as a direct result of a health defect, the cat will be replaced ONLY if an appropriate necropsy is performed by a licensed veterinarian and a veterinarian's certificate is provided as proof of cause of death. A replacement will be made of a cat of comparable quality and value, as available, at the discretion of Brandy. NO CASH REFUNDS.

\*\*\*LIFETIME Free Replacement Kitten. Because we believe so strongly that nutrition plays a very big part in the health of an animal, we are offering a \*Lifetime Free Replacement Kitten Guarantee. Should you choose this, the lifetime guarantee stipulates that the kitten must be fed [Life's Abundance Nutritional System](#) for their entire lifetime. The reason we have chosen to offer this option to our guarantee, is because so many dogs and cats are acquiring serious life-threatening health risks through poor diet and vitamin deficiency. We believe that these products provide the optimum nutritional benefits ensuring good health and longevity for the cat which is why we stand behind this guarantee. If your kitten does not reach it's life expectancy of 10 years you will be eligible to get a free replacement kitten of equal value.

In regards to hereditary defects, there are never any guarantees that a cat is free of a genetic disorder from past generations. But since we may not know if there are any potential weaknesses in a pet, we believe that diet & lack of vitamins can exacerbate these conditions if found. By providing the cat with quality food and supplements, we are hoping to reduce the chance of these potential weaknesses from hindering their quality of life, should this ever occur.

*Lifetime Free Replacement Kitten Information: - this guarantee does not include the vet check, shots, worming, transportation, carrier, or Other fees. This Lifetime Free Replacement Kitten Guarantee for the health of your Kitten does not cover accidental death, neglect, abuse, or injuries that your cat sustains while being a part of your family. We believe that Life's Abundance Pet Food and Supplements are a great combination to provide your cat with optimal health so they can live a long and happy life with your family!*

The Buyer agrees that this cat will at no time be sold, leased, or given to any pet shop, animal dealer, animal research facility, animal shelter or to anyone who has ever been convicted of neglect of or cruelty to an animal, nor shall it be abandoned.
